

INTRODUCTION

Welcome to Bedford Soda & Liquor.

It affords us the greatest gratification to inscribe to you this little volume of recipes for "American & other Drinks".

Along with an offering of quality liquor, beer, wine, tea & coffee, all of the mixed drinks listed are inspired by the American beverage scene. In particular New York trends ranging from the late 1800s golden era, through the 1930s drug store soda shop era to today's modern mixological millennium. All with our own unique "Bedford Soda & Liquor" twists.

We also offer a fine selection of non alcoholic sodas and iced teas hand mixed from the fountain along with shakes & frappés for the young at heart.

Our highly experienced & passionate bar team love creating customised drinks to suit your needs so feel free to challenge us to mix something uniquely special or your favourite classic.
