

## **INTRODUCTION**

*Welcome to Bedford Soda & Liquor.*

*The Bedford concept was originally the brainchild of friends Matt Nicholls, Sam Ansley and Jeremy Wells.*

*Each having taken separate trips to explore New York back in the noughties and falling in love with the charms of the Big Apple. Inspired by experiences had at many of its incredible delis, restaurants, bars, nightclubs and casual dive bars tucked away in the backstreets of Brooklyn, they decided to join forces to bring a slice of their favorite New York neighborhood bars to Ponsonby.*

*Thank you for joining us here at Bedford, we hope you have an amazing experience in our humble home.*

*Matt, Sam, Jeremy & the Bedford Ballers team*
