

## **INTRODUCTION**

*Welcome to Bedford Soda & Liquor.*

*Whether it's your first time here or you're a regular guest, it's our pleasure to host you. We created Bedford in 2013 after trips to New York left us in awe of the city's vibrant bars, restaurants and delis.*

*Some of our most memorable experiences were in Brooklyn which led us to name our bar after one of its foremost byways, Bedford Avenue.*

*Our 10 year anniversary is fast approaching so we've decided to change things up a bit with some fresh new offerings lovingly considered by our dedicated team.*

*Please make yourself at home and enjoy our hospitality.*

*Matt, Sam, Jeremy, J.C and the Bedford team*
